

William S. James Elementary School Third Grade Patriot Program Activities

The third grade students who wish to participate in this year's Patriot Program will have the opportunity to complete three activities. It is suggested that one activity be completed during each of the months in which the program runs. All activities need to be completed by April 25, 2008.

Activity One: February

-Create a booklet, power point presentation, or a diorama identifying the symbols on the Harford County Seal. Write a short summary about each of the symbols.

Activity Two: March

-Identify and write a research paper on the national officials (President and Vice President), the nation's capital (Washington, D.C.), the Harford County Executive (David Craig), or the County Council to include what they do in their jobs.

-Make a poster representing the hierarchy of the national and local officials and briefly describe their jobs.

-Create a collage of the national and local officials and their job descriptions.

Activity Three: April

Choose one of the following topics and complete a written report.

Havre de Grace

Conowingo Dam
